Cynthiana Negroes in Cutting Affray.

A negro giving his name as "Wing," and hailing from Cynthiana, was arrested Sunday afternoon about three o'clock by Patrolman Fred Link on a charge of cutting with intent to kill, Jim Cockrell, also of Cynthiana. The cutting took place early Sunday afternoon at the home of Lotta Lantern, on Cypress street. When taken into custody "Wing" had in his possession a large knife with which, it is said, he inflicted an ugly wound on the left side of Cockrell's neck. "Wing" is a cripple having only one arm and is considered a bad character. He will have his examining trial this morning at ten o'clock before Judge E. B. January in Police Court.

Lease Stores in Doyle Building.

The large building of Mr. Martin Doyle on Main street which is rapidly nearing completion will be ready for occupancy within the next few weeks. Both storerooms on the lower floor have been leased, one of which will be occupied by Higgins & Co., a newly organized clothing firm, at the head of which will be Mr. Joe Higgins, late of the clothing department of Iwin Bros. Mr. Higgins is at present in the East buying his stock of goods. Mrs. James H. Porter will be the proprietress of a new drug store that is to be opened in the other store room. Mr. R. J. Shea, of Lexington, who for some time has been one of the leading pharmacists of that city, will be in charge. Mr. Shea is formerly of Winchester.

Concrete Office Completed.

The concrete office building of the Templin Lumber Co., adjoining the lumber yards on South Main street, has been completed. The structure is built entirely of concrete blocks made by the firm, which also made the fixtures which have been installed.

Auction Sale of Mules.

Attention is directed to the advertisement appearing in this issue of the auction sale of fifty head of mules to be held by Mr. Thomas McClintock at his barns in Millersburg on Friday, March 7. The mules are well broke and range in age from three to six years. There are in the lot some of the finest animals ever offered for sale and those who are in the market should avail themselves of this opportunity to secure high class work stock. The sale will be held rain or shine and the animals will go under the hammer without reserve.

False Alarm.

The fire department was called out Sunday afternoon about one o'clock in response to an alarm from Box 21. When the firemen arrived no trace of a fire could be found in the vicinity and it is presumed the alarm was turned in by children.

Fire, wind and lightning insurance. Thomas & Woodford.

Confederate Daughters Hold Meeting.

Richard Hawes Chapter, U. D. C., held a meeting at the court house Saturday afternoon which was attended by a large number of the members of the chapter, several of the Hamilton Guards and Confederate Veterans. The names of Mrs. Alex Tingle and Miss Annie D. Clarke were presented for membership in the chapter.

A letter was read at the meeting in regard to the erection of a memorial to Jefferson Davis, President of the Confederacy, and upon motion of Mrs. J. T. Vansant it was voted to send \$5 a year for a period of five years toward the proposed memorial.

Mrs. Russell Mann read a report of the work of the Hamilton Guards for the past year which showed they had raised a total of \$318.62 to furnish a room in the I. W. W. Massie Memorial Hospital.

Reminiscences of war times were given by Mrs. C. C. Leer, and a sketch of the life of Jefferson Davis, particularly those portions of his childhood and young manhood spent in Kentucky, was given by Mrs. J. T. Vansant.

A picture of Stonewall Jackson, his wife and daughter was presented to the Chapter.

Boys' Corn Club Organizes.

Dr. Fred Mutchler, of Bowling Green, visited Paris Friday morning and gave a very interesting talk at the court house in the interest of the Boys' Corn Club, and the Girls' Tomato Growing and Canning Club.

The schools at Shawhan, Millersburg, Ford's Mill, Spears' Mill, North Middletown, Clay's Cross Roads, Clintonville and Prof. E. M. Costello's private school were represented and the pupils gave close and courteous attention as Dr. Mutchler explained the improved methods of raising corn, as to the necessary preparation of the ground, the selection and testing of the seed, and the proper cultivation of the crop to insure the best results.

At the conclusion of his talk an enthusiastic club of sixteen members was organized: Carl and Clarence Thompson, Edward Blunt, Marion Thomas, Vernon Lary, Bishop Batterton, Thomas Letton, Ben Houston, Edgar Estes, Horace Miller Clay, George McLeod, Alvin Thompson, Jennings Taylor and Noah Craven. An Adult Corn Club of three members was also organized, consisting of Messrs. John J. Redmon, E. P. Thomason and A. S. Thompson.

Dr. Mutchler was not successful in organizing a Tomato Growing and Canning Club among the girls, but that may be accomplished later in the season.

Mr. McClure, of Louisa, was a guest of Prof. George W. Chapman Friday and was greatly interested in the work of Dr. Mutchler.
